

# Biological Sciences Seminar Series

Fall 2016

<b>Sept 16</b>	<b>Maria Kraemer, PhD</b> Vanderbilt University Host: Brad Kraemer, Ph.D	<i>Regulation of Arterial Reactivity</i>
<b>Sept 23</b>	<b>Rodney King, PhD</b> WKU Host: Rebekah Waikel, Ph.D	<i>Phage Discovery and Genomics</i>
<b>Oct 7</b>	<b>Robert Mitchell, PhD</b> EKU- Department of Psychology Host: Oliver Oakley, Ph.D	<i>Human pointing during dog-human play: Dogs' responses, resistance, and the play context</i>
<b>Oct 14</b>	<b>Ignazio Graziosi, PhD</b> University of Kentucky Host: Luke Dodd, Ph.D	<i>Defining a strategy to manage emerald ash borer in Kentucky forests</i>
<b>Oct 21</b>	<b>Bryan Makinen</b> EKU- Safety and Risk Management Host: Oliver Oakley, Ph.D	<i>Keeping our students Safe</i>
<b>Oct 28</b>	<b>Rachel Griffiths</b> EKU – BIOS MS CANDIDATE Host: Luke Dodd, Ph.D	<i>Assessing the effects of prescribed fire on foraging bats at Mammoth Cave National Park after the arrival of White-Nose Syndrome</i>
<b>Nov 11</b>	<b>Julie Castaneda, PhD</b> UCLA Host: Rebekah Waikel, Ph.D	<i>Understanding the toxic effects of marijuana on the human immune system</i>
<b>Nov 18</b>	<b>Kurt Neubig, PhD</b> Southern Illinois University Host: Brad Ruhfel, Ph.D	TBA
<b>Dec 2</b>	<b>Marie Nydam, PhD</b> Centre College Host: Jenn Koslow, Ph.D	<i>Boundaries in the Sea: Speciation and Fusion in Marine Invertebrates</i>

for more information, visit <http://biology.eku.edu/seminars>.

**Please join us at 11:05 for coffee and refreshments.  
Seminar begins at 11:15 in Moore 123.**
